SPONSORSHIP PACKAGE

We ask for your support as we continue to help close the education achievement gap for the children in our community. This is Greater Saint John's opportunity to take the stage and CELEBRATE the great progress being made in early literacy in our schools and district, and to highlight the need for further action! We hope to count on your support.

We are asking for your help by being a sponsor, by purchasing tickets or tables. Thank you for your time and support in considering making this a successful community event.

If you have any questions regarding the event please feel free to contact
